**「One Community to Hold hands, Connect Hearts, Connect Smiles」**

We wish the children to grow up strong and spiritually rich through so much love from the community connected to the family, the local and the school.

**<Educational Goal>**

- 1. Be Healthy
- 2. Be Compassion
- 3. Be Able to Think and Learn

**<Policy and Approach>**

- ☆ We work together with the family to get to know the situation of each child in the family as well as in the local community. Moreover, we listen, and support child's will and desire, so that child can spend one's school life with feeling of safe and trust.
- ☆ We value life rhythm and ensure to set safe and healthy environment for child, so that child can be themselves.
- ☆ We understand and provide childcare depending on child's development. When providing care, we see the development of child, and we provide care based on individual development and differences between children.
- ☆ We support child to grow with building relationship among other children and respect each other in group living.
- ☆ We value an environment which child can act at own initiative with enthusiasm as well as child's independent-mind and caring-mind. We provide comprehensive childcare which infant and toddler can gain appropriate experience at their age through playing and daily life.
- ☆ We provide support to child and its family with consideration of individual parent's situation and opinion.
